

## Weekly Round Up 7.5.20

A message from Mrs Spencer Lovesey:

How quickly the weeks continue to pass. I know that this is a little earlier than normal, but I wanted to send this out before the bank holiday weekend. Over the weekend we may well have a few more answers as to what the immediate future holds for us all in terms of school life. We are all looking forward to some direction from the Government on Sunday following a lot of media speculation surrounding schools. Just to assure you all that the SLT and I are working closely with the Trust and will be keeping in touch with you all regarding any updates that I have to share with you as soon as we have them.

{ hello  
how are  
you? }

This week our teachers have been making contact calls to all of our families. I have had the pleasure of hearing back from the team how positive the experience has been and how much the teachers enjoyed speaking to you and the children if it was possible. You are all doing a fantastic job, being kind, working hard and trying to make the most out of this situation that we find ourselves in. Thank you to all of you who gave positive feedback to the class teachers – it really is appreciated and lifts everybody's spirits. .

### Home Learning

A number of home learning packs have been collected from Lakeside Primary this week. I am really pleased to hear that parents are finding these very helpful.

Please look out for a parents questionnaire that will be coming out to you all to complete with regards to home learning. This will be either via email, the website or class dojo and as soon as I have the links for this I will let you all know.

### STARs of the Week for fantastic home learning

Diamond Group – Ruby for working hard on all of the activities over the last 2 weeks.

3WS - Poppy Norris for the huge amount of work she's done at home.

3F - Jorja Geller for wonderful video book reviews

3B - Sophie Richards for completing all homework tasks and making a fantastic rainbow for the NHS

4CF My star of the week is Isla-Rose. Great work on all the home learning tasks set and always uploading great photos.

4MH My star of the week is Stanley for his motivation to continue learning throughout lockdown. He's been learning the drums, gardening, science and lots about space. He's sent me portfolios everyday full of exciting things he's been doing!

4CB My star of the week is Ljiljana for sharing some great competitions, ideas etc for me to pass on to others, and all of her great work on the portfolio.

5P: Jacob Clarke-Morton has been consistently completing home learning from the start and keeping me up to date with pictures and messages. He has been video calling his grandparents to read chapters of his book to them, he has written fantastic stories, drawn pictures, camped in his front room with his little sister and learnt some wood work construction skills in the garden. He deserves to be recognised for his hard work and motivation during this time.

5B: Alice and Jordan are my stars of the week. Alice for being so creative making tie-dye t - shirts.

Jordan for completing all of the home learning pack work even though he was given the wrong year groups work pack!

5S: Mrs Spencer Lovesey chose Lucy this week for her amazing photography skills and words to accompany her perception of the image. Very insightful and emotive.

Darcey W, for consistent hard work on Purple Mash, tackling the other challenges and supporting others in their Purple Mash learning

6R Millie Robinson for the effort and hard work to her home learning.

6U Aida-Maria Lita for her hard work and commitment to home learning.

6B - Charlotte Brown - For having a well established routine to home learning and for completing a wide range of the tasks set.

Thank you again to all of you who have sent in positive words to myself and the class teachers. It really does mean a lot. Have a wonderful bank holiday and please send us any pictures of how you celebrate VE day.

Please keep safe, stay home and stay kind to each other.

Best wishes,

Kate Spencer Lovesey
